**ADVISING AND ACADEMIC SERVICES**

THE OHIO STATE UNIVERSITY

**Bachelor of Arts Degree Requirements for  
Students Fulfilling the REVISED  
General Education Curriculum**

(also applies to Bachelor of Arts in Journalism)

Note: see the Middle Childhood Education (MCE) curriculum sheet for MCE degree requirements.

Spring Quarter 2011

**The following degree requirements apply if you**

■  **began your career as a regularly enrolled college student at Ohio State summer quarter 2008 or later, or**

■  **began your career as a regularly enrolled college student at Ohio State summer quarter 2007, autumn quarter 2007, winter quarter 2008, or spring quarter 2008 and had earned fewer than 45 hours of transfer credit (excluding any AP credit hours you earned while you were enrolled in high school).**

**Note: if four or more years have elapsed between any two successive quarters of enrollment at Ohio State, you must fulfill the requirements for the degree in effect at the time of reenrollment.**

**The following degree requirements are effective spring quarter 2011.** Check the web site [ascadvising.osu.edu/gec](http://ascadvising.osu.edu/gec) for updated information. Consult your advisor before making enrollment decisions.

**Goal**

Ohio State's **General Education Curriculum (GEC)** is an integral part of an Arts and Sciences education. General education, as embodied in Arts and Sciences, provides the development of knowledge, perception, attitudes, and skills necessary to understand society's traditions and past, its accomplishments and aspirations, its relation and responsibility to the natural world, its diversity and plurality, and its problems and needs. The **goal** is for you to attain a sense of self within society that invites a continuing desire and ability to learn and work with others for future realization of the human potential. Specific goals aimed toward the broader goal of the GEC are listed below under the five categories of the curriculum.

**The College of Arts and Sciences**

The College of Arts and Sciences consists of 39 departments and schools offering majors in the arts and humanities, natural and mathematical sciences, and social and behavioral sciences.

**Your Responsibility as a Student**

You are responsible for knowing the published policies governing the curriculum you are pursuing, as well as the regulations and procedures of the college and the university. The Bachelor of Arts and Bachelor of Arts in Journalism curriculum sheet should be used in conjunction with the degree planning information and college policies, published online, at [ascadvising.osu.edu](http://ascadvising.osu.edu).

**Prerequisites**

You are responsible for meeting all prerequisites to courses in which you enroll. Failure to satisfactorily complete prerequisites may delay graduation.

**General College Requirements**

■ You must earn a minimum of 181 credit hours to earn an Arts and Sciences degree. In addition to the General Education Curriculum, you will complete general college and major requirements and elective course work to reach a minimum of 181 credit hours.

Remedial courses (e.g., English 109.01 and 109.02; Mathematics 50 and 75), and credit hours earned in repeated course work, do not count toward the 181 hour minimum requirement for the Bachelor of Arts or Bachelor of Arts in Journalism. Note that you can take both "versions" of cross-listed courses (e.g., Comparative Studies/Philosophy 170); however, since the two versions are in fact the same course, only one may count toward your minimum degree hours.

The number of hours required to complete the Bachelor of Arts or the Bachelor of Arts in Journalism degree with a given major will depend on your program and goals.

You may need to plan programs of more than 181 credit hours if you wish to complete specific professional or studio training, are preparing for graduate study in certain disciplines, or have multidisciplinary goals.

If the combination of course work for the GEC, prerequisites, and your major program does not add up to 181 hours, you have many options for the remaining hours, called electives. With your elective hours, you could pursue a second major, a minor, or a combination degree program; select a set of courses on a specific topic; engage in an undergraduate research experience; do internships; or study abroad. You are urged to meet with an Arts and Sciences advisor to work out a plan that best fits your needs and interests. In no case shall the number of hours required for graduation be fewer than 181.

Within the minimum 181 credit hours, you must have:

■ A minimum of 166 hours of Arts and Sciences or Arts and Sciences-approved courses.

You may count a maximum of 15 hours of non-Arts and Sciences and non-Arts and Sciences-approved course work toward your degree. Of the 15 hours, no more than six may be from physical activities courses taught in Education: Physical Activity and Educational Services (EDU PAES); physical activities courses include all 100 level EDU PAES courses except for 102, 103, 122, 137, and 138. A maximum of 12 hours of technical credit may be counted toward the 15 hours of non-Arts and Sciences and non-Arts and Sciences-approved course work; however, the combination of EDU PAES, technical, and other non-Arts and Sciences credit hours may not exceed 15.

■ A minimum of 60 hours of Arts and Sciences or Arts and Sciences-approved upper-division course work. Upper-division courses are defined as all Arts and Sciences courses at the 300 level or above, Philosophy 250, all courses taught by departments in mathematical and physical sciences at the 200 level and above (except for courses numbered 294), and foreign language courses taught in the language at the 200 level. Your 60 upper-division hours may come from hours earned for the GEC, the major, and electives.

■ A minimum of 45 credit hours earned through regular course enrollment at Ohio State, and regular course enrollment in Arts and Sciences in your last quarter.

In addition, you must have:

■ A cumulative grade point average (GPA) of at least 2.0 for all work attempted at Ohio State.

■ A cumulative GPA of at least 2.0 in your major.

■ An application for the degree on file in the Arts and Sciences Graduation Services office in 141 Denney Hall.

### **General Education Curriculum (GEC) Requirements**

The curricular requirements are divided into five categories for the Bachelor of Arts and Bachelor of Arts in Journalism degree. In fulfilling the GEC, you may petition (in advance) in Arts and Sciences Advising and Academic Services to substitute upper-division courses that meet the spirit of the GEC for courses on the GEC. If you have transferred to Ohio State from another institution, you can often meet part of the GEC with approximately equivalent courses already taken. Your transfer course work will be reviewed in Arts and Sciences Advising, and courses that meet the spirit of the GEC will be applied to the GEC.

You must earn at least a D in a course for it to meet a GEC requirement. Courses taken on a pass/non-pass basis cannot be used to meet GEC requirements.

### **Exclusivity of GEC, Major, and Minor Courses**

With the exceptions noted below, courses may not be counted on both the GEC and the major. Courses taken to fulfill GEC requirements may count on the minor unless specifically disallowed by an individual minor program. Courses may not be counted on both the major and the minor.

Some GEC courses are listed in more than one category; with the exceptions noted below, however, GEC courses may not be used to meet more than one GEC requirement.

### **Courses Used to Meet More than One Requirement**

Courses used to meet the Diversity Experiences category may also count in another GEC category or on the major. The course used to meet the Data Analysis requirement may also count on the major if the course is at the 200 level or above and approved by the major advisor.

### **Group Studies and Individual Studies**

Group studies (X94 courses) and individual studies (X93 courses) are not acceptable for meeting GEC requirements except when a specific experimental course has been approved by the Arts and Sciences Committee on Curriculum and Instruction. If a course has been approved, it will be listed on this curriculum sheet.

### **Requirements for the Major**

Your major program must consist of at least 40 hours of credit in courses numbered 200 or above as prescribed by your major advisor. Please note that many major programs require considerably more than 40 hours of credit. Your major may consist either of courses offered in only one department or of courses from allied departments; however, except for interdisciplinary majors, at least 20 of the 40 hours must be in courses offered by the department of the major. Your major may or may not include course work that fulfills the GEC third writing requirement. This requirement is not in effect for all majors; please consult with your major advisor.

You must earn at least a C- in a course in order for it to be listed on your major. However, you must receive a 2.0 cumulative GPA for all major course work. If you earn a D+, D, or an E in a course that is required for your major, the course cannot be counted toward the major. Your major advisor will decide if the course should be repeated or if another course should be substituted for it. Courses taken on a pass/non-pass basis cannot be used on the major. Please note: if you became an art major winter quarter 2003 or later, you must have a minimum cumulative GPA of 2.25 in the art major course work in order to graduate with that major.

Your major advisor must approve all courses comprising your major. If you change from one major or curriculum to another, consult with an Arts and Sciences advisor. Such changes may result in modifying requirements to such an extent that your date of graduation might be delayed.

If you have transferred from another institution, you must have on the major program at least 20 credit hours earned at The Ohio State University. Your major advisor, the chairperson of the department concerned, and the appropriate assistant dean must approve any request for a variation in this policy.

### **Arts and Sciences Bachelor of Arts (BA) and Bachelor of Arts in Journalism (BA Jour) Majors**

The information contained in this curriculum sheet pertains to students following one of the majors listed below. In addition, each Arts and Sciences division offers the interdisciplinary honors contract and the personalized study program majors.

### D. Additional Breadth, 10 hours

In addition to the individual GEC approved Breadth requirements above, you must select two courses from any of the Breadth areas, including those from the **Cultures and Ideas** category, to complete 45 Breadth hours. Neither of the additional breadth courses may be selected from the area of the major.

#### 3. Historical Study, 10 hours

*The goal of courses in this category is to develop your knowledge of how past events influence today's society and help you understand how humans view themselves.*

Choose two courses. The first course should be selected from the following list or from any History department offering at the 300 level (except for 394 and 398). Note that History 394 and 398 may not be used for either the first or second Historical Study course.

African-American and African Studies 121★, 122★  
Classics 323  
Economics 500, 515★, 516★  
Education: Physical Activity and Educational Services 210, 211

History 111★, 112★, 121★, 122★, 141★, 142★, 151, 152, 171★, 172★, 181★, 182★  
History of Art 201★, 202★  
International Studies 210★  
Philosophy 111H★, 112H★, 280  
Women's, Gender, and Sexuality Studies 322H★

The second course can be any of the above or any History course at the 500 level (except for 593, 594, and 598).

#### 4. Diversity, 0 hours

##### (A) Social Diversity in the United States

*The goal of courses in this category is to foster an understanding of the pluralistic nature of institutions, society, and culture in the United States.*

You should overlap social diversity courses with another GEC category or your major. If you do not overlap social diversity courses with another GEC category or your major, the social diversity requirement must still be met.

Select one course from the following list. Courses designated with a dot (•) also count in another GEC category.
